

The Devil's Back

The Pretty Reckless

Hey me
Remember when you were skinny
Remember when you didn't worry
Remember when you didn't care
That's when you were living
You were living
You were alive
And I don't know what's happened to me
No, I don't know what's happened to me
I guess the devil's back
I guess the devil's back
I guess the devil's back
I guess the devil's back

Hate me
I hate what I've become and now I cannot breathe
Anxiety is killing me slowly
What happened to youthful carefree
When did I get so old
And I don't know what's happened to me
No, I don't know what's happened to me
I guess the devil's back
I guess the devil's back
Against the devil's back
Against the devil's back
