

Mama Keep Your Big Mouth Shut

The Pretty Things

Hey Mama
Keep your big mouth shut
Hey Mama
Keep your big mouth shut
Your daughter she's old enough to make up her own mind
She's got sense enough to know whether she wanna be mine

Keep your big mouth shut
Hey Mama
Keep your big mouth shut
I said hey Mama
Keep your big mouth shut

I'm in love with your little girl
And your little girl is in love with me
You know we're together now and happy we could be

Keep your big mouth shut
I said hey Mama
Keep your big mouth shut
Mmm hey Mama
Keep your big mouth shut

You say I'm not good enough
to be your daughters man
But when trouble comes her way
I'll be right there to hold her hand

Keep your big mouth shut
I said hey Mama
Keep your big mouth shut
Why don't you .. hey Mama
Keep your big mouth shut

Now your daughter she knows what she wants
She's got what she knows about
The way that she loves me MmmMm...
Sure just knocks me out

Keep your big mouth shut
Keep your big mouth shut
Keep your big mouth shut
Why don't you
Keep your mouth shut

Why don't you
Keep your big mouth shut
Why don't you
Keep your big mouth shut

Hey Mama keep your big mouth shut
Keep your big mouth shut
