

Dance with Me

The Proclaimers

Music sounds through the room
And you take a stance.
Moving a tiny wee bit
Like you want to dance.

Do you want to dance,
Do you want to dance,
And be held tenderly?
Do you want to dance,
Do you want to dance,
Want to dance with me?

My eyes rest on your hips
And the way they sway.
I'm sure if I held you tight
I could move your way.

Do you want to dance,
Do you want to dance,
And be held tenderly?
Do you want to dance,
Do you want to dance,
Want to dance with me?

Ooh, it would be ecstasy
Holding you against me.

Now we move 'round the floor
But not too far.
I guide you under the light
That shows how beautiful you are.

Do you want to dance,
Do you want to dance,
And be held tenderly?
Do you want to dance,
Do you want to dance,
Want to dance with me?
