

## These Arms Of Mine

The Proclaimers

These arms of mine  
They are lonely  
Lonely and feeling blue

These arms of mine  
They are yearning  
Yearning from wanting you  
And if you  
Would let them hold you  
How grateful I will be

These arms of mine  
The are burning  
Burning from wanting you  
These arms of mine  
The are wanting  
Wanting to hold you

And if you  
Just let them hold you  
How grateful I will be  
How grateful I will be

C'mon c'mon baby  
Just be my woman  
Just be my lover  
I need someone  
Somebody to hold me tight  
And I need  
Your warm, warm loving arms  
Around me tonight

Just let me hold you  
Just let me hold you  
Let my arms hold you  
Just let them hold you  
Please let me hold you  
Just let me hold you  
C'mon let me hold you  
Just let me hold you  
Please let me hold you  
Just let me hold you
