

# Wages Of Sin

## The Proclaimers

I woke at four this morning  
I couldn't sleep another wink  
I need to do something  
I had too long to sit and thing

And I hope  
Hope and pray  
That the wages of sin  
Aren't paid today.

I've led an average life  
I've told the truth and I have lied  
But I need a few more years  
To help build up the credit side

So I hope  
Hope and pray  
That the wages of sin  
Aren't paid today.

Yeah I hope  
Hope and pray  
That the wages of sin  
Aren't paid today.
