

## Invisible Sun

The Prodigy

Invisible sun, a star lit in the dark  
Invisible sun, a shadow upon the stars  
Invisible sun, shining where there's no path  
Invisible sun, rubbing out question marks

Invisible sun, a star lit in the dark  
Invisible sun, a shadow upon the stars  
Invisible sun, shining where there's no path  
Invisible sun, rubbing out question marks

Invisible sun, a star lit in the dark  
Invisible sun, a shadow upon the stars  
Invisible sun, shining where there's no path  
Invisible sun, rubbing out question marks

Invisible sun, a star lit in the dark  
Invisible sun, a shadow upon the stars  
Invisible sun, shining where there's no path  
Invisible sun, rubbing out question marks
