

# Medicine

## The Prodigy

The medicine we're delivering  
The medicine we're delivering  
The medicine we're delivering  
(The medicine we're delivering)

A spoonful of sugar just to sweeten the taste  
Just to keep you in your place  
A spoonful of sugar just to sweeten the taste  
Just to keep you in your place  
Just to keep you in your place  
Just to keep you in your place

Never surrender, in sickness  
Never surrender, in sickness  
Never surrender, in sickness

The medicine we're delivering  
The medicine we're delivering  
The medicine we're delivering  
(The medicine we're delivering)

A spoonful of sugar just to sweeten the taste  
Just to keep you in your place  
A spoonful of sugar just to sweeten the taste  
Just to keep you in your place  
Just to keep you in your place  
Just to keep you in your place

Never surrender, in sickness  
Never surrender, in sickness  
Never surrender, in sickness

Just to keep you in your place  
Just to keep you in your place  
Just to keep you in your place  
Just to keep you in your place

The medicine we're delivering  
The medicine we're delivering  
The medicine we're delivering  
(The medicine we're delivering)

A spoonful of sugar just to sweeten the taste  
Just to keep you in your place  
A spoonful of sugar just to sweeten the taste  
Just to keep you in your place  
Just to keep you in your place  
Just to keep you in your place
