

Make Me A Chevy

The Promise Ring

Make me a Chevy because an old Chevy made me.
And a young one makes me a Chevy.
Where would I go and how do I explain your body to the rest of
my day.
I'm not as good as the interstates are I just can't take you th
at far.
Maybe Dick Clark and Davey move a car
but not as good as the interstates are.
I can't take you that far away.
So stay.
