

Boom

The Prostitutes

Boom
My heart goes boom
When I see you today
When I see you this way
My heart goes boom
Hold
Come and hold me tight
I don't want it to go away
I don't want it to go away
If it takes my life
Boom
My heart goes boom
When I see you this way
When I see you today
My heart goes boom
Boom
My heart goes boom
I don't want it to go away
I don't want it to go away
My heart goes boom
And I know that I would rather
Die than fade away
And I want to be beside you
Until my dying day
My heart goes boom
Boom boom boom let me hold you baby
Boom boom boom let me take you maybe
I know I'm not the kind of low life, your gonna stay with baby

Boom boom boom let me hold you baby
Boom boom boom let me take you maybe
I know I'm not the kind of low life, your gonna stay with baby

Boom
My heart goes boom
When I see you today
When I see you this way
I know I'm not
