

Distortion - Dancing - Destruction

The Prostitutes

She's alone on the floor
but she doesn't know why.
She's all on her own now.
She just can't let herself go.
So come on now baby.
I want to see you move around.
Come on let go now.
I want to see you move around.
Come on now baby.
Let go.
I wanna see you move
I wanna see you go.
come on come on
Let yourself go
Let yourself go now
Go now
She's incredibly shy
but she doesn't know why.
She's all on her own now .
She thinks everyone's just looking at her
but that's not true now .
Come on now baby
You can let yourself go now.
Come on now baby
you can just let yourself go, now.
Let go
come on let's move
I wanna see you dance
come on come on
Let yourself go
Let yourself go
I wanna see you move
Come on
Come on let's go
I wanna see you
I wanna see you
go now baby
let yourself go
let yourself go
let yourself go
She's now moving around floor
everything's ok
she doesn't know whos around
She's never noticing
She's just letting herself live
She's just letting herself live
come on now baby.
