

## Get Me Out Of Here

### The Prostitutes

Get me out of here  
Get me out of here  
Get me out of here  
I don' t want to be here no more  
no more  
They got my head in a vice  
And I don't need to think twice  
Just open the door  
Oh please let me out  
Oh please let me out  
Yo  
Get me out of here  
Get me out of here  
Get me out of here  
I don't want to be here any more  
no more  
They're all mad in here  
yes they're all mad in here  
So just open the door  
oh please let me out  
oh please let me out  
Get me out of here  
Get me out of here  
Get me out of here  
I don't want to be here  
any more no more  
Get me out please  
get me out of here.
