

Get Me Out Of Here

The Prostitutes

Get me out of here
Get me out of here
Get me out of here
I don' t want to be here no more
no more
They got my head in a vice
And I don't need to think twice
Just open the door
Oh please let me out
Oh please let me out
Yo
Get me out of here
Get me out of here
Get me out of here
I don't want to be here any more
no more
They're all mad in here
yes they're all mad in here
So just open the door
oh please let me out
oh please let me out
Get me out of here
Get me out of here
Get me out of here
I don't want to be here
any more no more
Get me out please
get me out of here.
