

She's Dead

The Prostitutes

She was a lovely girl just out on a friday night
Out with her friends to have a good time
One of them gave her a pill.
Just to help her on her way
Now shes alone
She's dead
She's dead
She's dead
She's dead
Out with her friends that at night she was having such
a good time that day
They just thought it was such fun just to help her on
her way
She was a lovely girl she was just out to have some fun
She was a lovely girl
She's dead
She's dead
She's dead
She's dead
If I ever catch the bloke Ill skin him alive
If I ever catch the bloke who gave my friend something
He's gonna die
she was a lovely girl
she was just out to have some fun
she was a lovely girl
She's dead
She aint coming back no more
She's dead
She's dead
she was a friend of mine
she was a friend of mine
