

Sunshine

The Prostitutes

They've really gone and blown your world
didn't they didn't they
you really thought you had it all,
but now its all gone and
You wanted to change the world
didn't you didnt you
You really wanted to change
but now its all gone and
You're going now, yes you're going now
Yes you're going down to the sunshine, the sunshine
You really thought you had it made but it's all fucked
up and its all insane
so you're going now yes you're going to the sunshine,
to the sunshine
to the sunshine
They've really gone and fucked your world haven't they
They've really gone and changed your life
and now you don't know what to do
you really thought you had it made
didn't you didn't you
You really thought you had it made
and now its all changed
so
It's time to go now
You've got to get out now
You've got to get down to the sunshine the sunshine
You really thought you had it made
But it's all fucked up and its all insane
So you're going now to the sunshine
What you going to do now
what you going to do now
what are you going to do now
they've really gone and changed your world
they threw you out on the street
and now it's all fucked up
You're going now, yes you're going now, yes you're
going now
to the sunshine, the sunshine
You really thought you that you had it made
but its all fucked up and its all insane
so you're going now to the sunshine
to the sunshine
to the sunshine
to the sunshine
you really thought you had it made
you really thought you had it made
you really thought you had it made
you really thought you had it made
but you didn't did you
so you're going now
so you're going now
