

Only You and I

The Psychedelic Furs

Yeah I fell in love
Like all good dreamers do
Finally in anger
I gave it all to you

I never shouted it
Like we do in school
Knee-jerk negativity
Just never got me through

And Ma she said so carefully
"You don't get a vote
This is not a five and ten
This is not a joke", she said
"It's only you and only I
Bang bang, bye bye"

Now I got a love
To lose myself inside
I don't need to find a face
That I can hide behind

I never shouted it
Like we do in school
Bleed your negativity
Just never got me through

But Ma she said so carefully
"You don't get a vote
This is not a five and ten
This is not a joke", she said
"It's only you and only I
Bang bang, bye bye"

Lose yourself, lose yourself
Lose yourself, lose yourself
