The Psychedelic Furs

Stupid on the Steinway  
So sick upon a Steinway  
The sailors drown

See them talk and see them drown  
And see them drink and fall around  
Up on the floor

Sister of mine, home again  
Sister of mine, home again

Lonely in a crowded room  
The radio plays out of tune  
So silently

The radio upon the floor  
Is stupid it plays Aznavour  
So out of key

Sister of mine, home again  
Sister of mine, home again

Broken on a ship of fools  
Even dreams must fall to rules  
So stupidly

Words are all just useless sound  
Just like cards they fall around  
And we will be

Sister of mine, home again  
Sister of mine, home again

Buy a car and watch it rust  
Sister see them fall to dust  
They fall around

In another crowded room  
Paint me like the shirt I'm in  
Honestly

Sister of mine, home again  
Sister of mine, home again

Sister of mine, sister of mine  
Sister of mine, sister of mine
