

## The Ghost in You

The Psychedelic Furs

A man in my shoes runs a light  
And all the papers lied tonight  
But falling over you  
Is the news of the day  
Angels fall like rain  
And love is all of heaven away  
Inside you the time moves

And she don't fade  
The ghost in you  
She don't fade  
Inside you the time moves  
And she don't fade

A race is on I'm on your side  
And hearing you my engines die  
I'm in a mood for you  
For running away  
Stars come down in you  
And love, you can't give it away  
Inside you the time moves

And she don't fade  
The ghost in you  
She don't fade  
Inside you the time moves  
And she don't fade

Don't you go  
It makes no sense  
When all your talking supermen  
Just take away the time  
And get in the way  
Ain't it just like rain  
And love, is only heaven away  
Inside you the time moves

And she don't fade  
The ghost in you  
She don't fade  
Inside you the time moves  
And she don't fade
