

Torture

The Psychedelic Furs

It's like torture
I can't say no and that's no lie
It's torture

Get closer
I bite my lip and burn so cold
Closer

Tell myself
Yeah, I'm all you need
I tell myself
Yeah, I'm all you need

It's like torture
Yeah, that's no lie
It's like torture

Temptation
I can't say no and that's no lie
Temptation
Is pulling strings and telling lies

It's torture
It's like torture
There's nothing in between the lines
It's torture

Tell myself
Yeah, I'm all you need
I tell myself
Yeah, I'm all you need

It's like torture
Yeah, that's no lie
It's like torture

It's anything that satisfies
It's temptation
Temptation

Torture it's like torture
Temptation
Anyway you want
It's torture

Temptation
Knocking down my door
It's torture

Temptation
Anyway you want
It's torture

Temptation
Knocking down my door
It's torture
