

## Consciousness Raising As A Social Tool

### The Pursuit Of Happiness

She went looking for the solution  
To a problem that did not exist  
She found a answer and found some friends there  
Consciousness raising as a social tool  
She went looking for some direction  
And to ease her loneliness somehow  
She left her husband and she left her family  
'Cause she prays to a new god now  
Feeding the hunger, feeding the wonder  
Feeding the need to believe  
Looking for love and looking for someone  
Looking for somewhere to be
