The Qemists

Well what can I say, back in the frame
Just another day
Turning those hits
while you're turning away

Just, playing for fun
You've lost if you've already won
Fuck a hype, fuck the game
Tell me what you want

Radio drop, audio rock
Here come the boys from the south (Yeahhhhh)
Radio drop, audio rock
We're about to break it down

Radio drop, audio rock
Here come the boys from the south (Yeahhhhh)
Radio drop, audio rock
We're about to break it down
