Destination (21x)
I'm on the run!

They know its my destination
Cross the line and I'm lost forever more
keep lookin' over my shoulder (Keep lookin oh keep looking)
If i'm caught, its the end of it, its the end of it
I'm on the run!

run, run (16x)

Need a ride to the boarder baby
The feeling's sending me under
I wanna cool down, find somewhere shady
Until this thing has blown over ??
I'm on the run!
