

# We Are the Problem

The Qemists

Yeah! Ah!  
You feel so close,  
But you're so far away from me.  
I lose no hope,  
So I still wanna set you free.  
Clouds so high  
NOW  
You can finally see,  
What we have  
NOW  
So the ? it seems.  
I made no jokes when I'm broke ? spoke(?) lost.  
You see me shutting the door  
On my dark past.  
You've come so far  
NOW  
You can finally see,  
What we have  
NOW  
So the ? it seems.

And if you haven't got there yet,  
Just read between the lines,  
The truth ain't hard to find,  
Inside your mind.

If we are the problem,  
And we are the pose,  
It's like a prison,  
But you are not alone!

If we are the problem,  
And we are the pose,  
It's like a prison,  
And we don't ? a show(?)

It feels so far but it's never so close to me.  
With just one glitch you can shape my reality.  
Where we are  
NOW  
It's where we're meant to be.  
What we have  
NOW  
So the ? it seems.

I made no jokes when I spoke ? ? lost  
???? when I speak fast.  
You tell me  
NOW  
We supposed to be,  
What we have,  
NOW  
So the ? it seems.

And if you haven't got there yet,  
Just read between the lines,  
The truth ain't hard to find,

Inside your mind.

If we are the problem,  
And we are the pose,  
It's like a prison,  
But you are not alone!

If we are the problem,  
And we are the pose,  
It's like a prison,  
And we don't ? a show(?)

You feel so close,  
But you're so far away from me,  
I lose no hope,  
So I still wanna set you free,  
Clouds so high now,  
You can finally see,  
What we have now,  
So the ? it seems (x5)
