

# Born To Do Dishes

The Queers

Dishpan hands and pots and pans and ashtrays full of butts  
Pearldiving's the life for me, I'm such a little putz  
The heat, the slime, I've never been on time  
I'm soaking wet, I'll never save a dime

Born to do dishes, I was born to do dishes  
I was born to do dishes and my mom's really bummed out  
I was born to do dishes fuck you, I'm just so proud  
I was born to do dishes and my mom's really bummed out

The heat, the slime, I've never been on time  
I'm soaking wet, I'll never save a dime
