

Danny Vapid

The Queers

Leader of the Methadones and the Mopes, too.
Wears a Green Day hat; he don't watch the news.
He's rough; he's tough; he's fun to have around.
He ain't no fucking clown.
He's Danny Vapid, the punk rocker - oh yeah!

Danny Vapid ain't no faggot.
Danny Vapid ain't no faggot.
Danny Vapid ain't no faggot.
And he's okay to me.

I'm so sick of hearing stupid rumors flying around.
One more fucking time, and someone's head'll get a pound.
You phony kids, go listen to your ska.
Get beat up by your ma.
Soon you'll be a stupid, college asshole
Like your heroes.

Danny Vapid ain't no faggot.
Danny Vapid ain't no faggot.
Danny Vapid ain't no faggot.
But he's okay to me.
