## The Queers

The girl's always giving him shit  
'Cause he like da banana split.  
She's always calling him names, and  
He'd like to be doing the same.

Life's not fair; are you aware?  
I can't spell it out like Dr. Frank - who cares?

He's wearing lavender pants.  
The boy's just dying to dance.  
The girl's always making him cry,  
And we're all wondering why.

Life's not fair; are you aware?  
Be proud of who you are and don't be scared.
