

I'm a Fool

The Queers

You know where I can be found
Don't you know I'm just waiting by the telephone girl
While you're out running around yeah
I'm sitting home all alone
I'm a fool just a silly fool
To be in love with you

You can't be kind to me girl
You always treat me bad girl
But I can't let you go I know
It would only make me sad
I'm a fool just a silly fool
To be in love with you

You treat me just like dirt
You have all the fun I stay home and work

Baby I wish I knew, yeah
Just how to get you off my mind girl
To put you down and say we're through yeah
I think about you all the time
I'm a fool just a silly fool
To be in love with you
