

# It's Cold Outside

The Queers

[Originally by The Choir]

Well the world used to be sunny  
And jokes used to be funny  
But now you're gone  
And everything's turned around

Well the world used to be warm  
And there never was a storm  
But now you're gone and  
Everythings turned upside down

And now it's cold outside  
And the rain is pouring down  
And the leaves are turning brown  
Can't you see  
That now it's cold outside  
And it's all because of you  
'cause there's nothing i can do  
To make you love me
