It's Cold Outside

[Originally by The Choir]

Well the world used to be sunny And jokes used to be funny But now you're gone And everything's turned around

Well the world used to be warm And there never was a storm But now you're gone and Everythings turned upside down

And now it's cold outside And the rain is pouring down And the leaves are turning brown Can't you see That now it's cold outside And it's all because of you 'cause there's nothing i can do To make you love me
