Punk Rock Girls

The Queers

Leather jackets, stupid boyfriends, poor report cards, life is just a ball Hi- top Chucks and bubblegum and oh my gosh I'd love to love them all They're so cool their style is never cramped Too much of everything and everyone is amped Well, do't get hot and bothered listen, I know I got problems I also know just what this goofy world needs

Yummy yummy punk rock girls (4x) I wish they all were punk rock girls

The smartest of the smartest and the sweetest of the sweetest, they're the most Me and Dr. Frank have both decided that we love them more than toast I wish they'd let me share their bubblegum And let me hang with them and life would be so fun I should be sedated cuz my heart is all inflated I guess I gotta get me one or two
