

## Tamara Is a Punk

The Queers

Well I've seen Black Flag and I've seen the Germs  
And I've jammed with G.G. too  
Even opened up for the Ramones  
But it just ain't any use  
She don't care that I know Ben Weasel and Metal Mike  
It's all suck frightful tripe to her

Tamara is a punk, so you better not knock her  
Tamara is a punk, she's a real punk rocker  
Tamara is a punk and I wish she was my girl

I've been in Rolling Stone  
Not to bitch and moan  
But she's simple not impressed  
I'm not as punk as fuck to her  
But I'm friends with MTX  
She don't care that I know Ben Weasel and Metal Mike  
It's all suck frightful trip, to her

R:

She's the coolest of the cool  
She's the toughest of the tough  
She's the grooviest punk rock girl  
She's the queen of the scene in the neighborhood  
And she's got my heart in a whirl  
And we'll never kiss in the Elvis Room  
'Cause she doesn't like me like that  
Not her and me - she's too cool for that scene
