

Today I Fell in Love

The Queers

Hanging on the telephone
I'm glad that we're all alone
Felling kind of cool today
Listening to what you say
Rainbows in my head
Green red and blue
Saying I'm in love with you
I don't care what people seem to say
What's a punk to do
See I'm confessing that you're messing with
my heart today
And I'm addicted to your funny face
We're not MTX but it's all o.k.
'Cause my heart's in the right place
I've got the sun and the moon and the stars above
'Cause today I fell in love

Living a private world
Infatuated with that girl
Someone explained that to me
Candy's awful nice that much is true
But not as sweet as you
As sure as there are clouds up in the sky
I'm in love with you
See I'm confessin' that you're messin' with my
heart today. Etc. etc.
