

White Minority

The Queers

Gunna be a white minority
Marvelously the majority
Gunna feel inferiority
Gunna be, white minority

WHITE PRIDE, you're an American
Why can I hide, when and where I can

Gunna be a white minority
Don't believe there's a possibility
Well, we'll just wait and see
Gunna be, white minority

WHITE PRIDE, you're an American
Why can I hide, when and where I can

Gunna be a white minority
There's gunna be, large casualties
Were the damn majority

Well, gunna die
Where did you go?
White Minority
