

# Break Away

The Rabble

GO!

I've been up, I've been down, I've been all around  
I've been left, I've been right, there's no hope in sight  
I hope that I will find a way  
I hope that I will Break Away

You can try, you can try to break away  
From your usual 9 to fucking 5  
Slave away in a factory  
Working for barely a little bit more than the dole!

[Chorus:]

You can try, you can try to break away  
You can try, you can try to break away  
(to break away)  
you can try to break away  
(to break away)  
YEAH, WE'RE BREAKING AWAY!

I've been up, I've been down, I'm not the one with the frown  
I've been left, I've been right, just to avoid a fight  
You're afraid that I will break away  
You can't admit that I have found a way

You can try, if you dare to break away  
From your normal, boring fucking life  
Waste away in a council flat  
Living for nothing, but tell me, WHAT CAN YOU DO!?

[Chorus]

ALL RIGHT!

You can try, you can try...  
You can try, you can try...  
To break away...  
To break away... (2x)

[Chorus]

LETS GO!  
YOU CAN TRY TO BREAK AWAAAAAY!!
