

# Burning In The Fire

The Rabble

We're burning in the fire of the spotlight tonight  
If you can't take the heat then get out of the kitchen  
Feed off the pressure, a suffocated high no use for the  
cloth  
That's made from bad stitching you know

They've only one reason for motivation  
Oh but I never had time for delicate lies  
Woven neatly into inspiration

Ablaze on the pyre in a timeless limelight the real  
Heroes are stuck numb in the kitchen  
Mother's standing by to suffocate and die  
Fathers neck's on the line, organized for the lynching  
They've only got one dose of motivation  
Oh but I'll never resign and  
Simply wait in line beside an apathetic population

They're giving up  
Yeah they're breaking down  
As we're rising up  
And we tear it all down

So find your  
Courage, have the heart of a lion while  
You crawl like a rat to gratify a few  
Freedom's for sale, but we're not the ones  
That are buying we're the ones who  
Reinvent it for the kids to pursue

They've only had one dose of motivation  
Oh but I never had time to sit and whine  
About the state of my generation

They're giving up  
Yeah they're breaking down  
As we're rising up  
And we tear it all down

I'll stand alone this time  
Even if I lose my mind  
If you can't lead them, I don't  
Believe then, that you are my kind  
So lend the broken-hearted a shoulder  
That they can cry  
Well if you don't leave them, I do believe then, that  
you  
Are my kind  
Let's go!!!  
Go let it burn

Let me remind you, you won't  
Have it easy when things are going our  
Way it will be pleasing  
And I can tell now  
There is no reason to turn your back  
And celebrate the treason - we burn

We're burning in the fire of the  
Spotlight tonight and you can't take the  
Heat son get out of the kitchen  
We're burning in the fire of the  
Spotlight tonight and you can't take the  
Heat son get out of the kitchen  
We're burning in the fire of the  
Spotlight tonight and you can't take the  
Heat son!!!  
You've only got one dose of motivation  
Burn!!!
