

Enemy

The Rabble

I've had it up to here
With all of yer lies.
I've had enough
Of the people I despise.
Yer so impatient,
Yer so deranged,
I'm gonna end yer life,
It's already arranged!

I got an enemy
And that enemy is you!
I'm planning murder
I'm planning murder for you!

Go get an army,
I wanna war!
I'm gonna see your teeth on the floor!
I'm gonna hit you when you're goin' through the door!
I'm gonna kick you when you're half dead on the floor!

[Chorus]

Murder!
