

Seeking

The Rabble

WOAH

JUST KEEP ON SEEKING

I'm on a mission to get out of here - yeah
This rollercoaster's dead and I ain't going anywhere
I won't sit around and watch my life
Fall right down the drain
Oh no - I don't wanna be just another name

WOAH

JUST KEEP ON SEEKING

There's a whole world out there waiting
And it's all hit and miss
Yeah I'm a simple man
But there's gotta be more than this

Well you've got one chance - you better do it right
When they kick you down - you better stand and fight
'Cause I was born in to a world where there ain't nobody free
But I won't live or die on my knees

[Chorus]

THIS IS WHAT I'M SEEKING NOW
