

Take A Walk

The Rabble

Do you know what it's like not to give up?
Do you know how it feels to be hated?
I'm saying - do you know what it's like - I'll tell ya to

[Chorus:]

Tie yer boots tight (yer boots up, tie yer boots up)
And take a walk in my shoes
I dare you to try looking through my eyes - my eyes, my eyes
Let's take a walk! Let's take a walk in each other's shoes!

Do you know what it's like when they're on your back
When they try to bring you down - try to break you
I'm saying - do you know what it's like - I'll tell ya to

[Chorus]

Do you know what it's like not to give up
Just to keep on going sedated
Do you know what it's like - I'll tell ya to

[Chorus]

Yer boots are tied - and then you run!
Yer boots are tied - and then you run!
Yer boots are tied - and then you run!
Yer boots are tied...
