

# The New Generation

The Rabble

Here we are  
Take it or leave it the choice is there to stay  
We are strong  
Through it all we never turned and walked away

JUST FOR YOU

Yeah it's true we're still here  
Just for you we wrote this song  
To those who wanna listen  
Our music's still here after we're dead and gone

[Chorus]

We are young - We are free  
Don't forget we're the new generation

SAY OH YEAH YEAH YEAH

We are young - We are free  
Here's to us we're the new generation

SAY OH YEAH YEAH YEAH

HEY HEY HEY  
YEAH YEAH YEAH
