

# Wasted Days

The Rabble

I don't know what to tell you about the things you disapprove of  
But I'm sure you can guess by now  
I won't change my ways you see  
I too wake up to my problems  
They never go away  
So here's my middle finger  
All you'll fuckin' get from me

ANOTHER WASTED DAY GOES BY  
Every waking minute of my life  
ANOTHER DAY ANOTHER NIGHT  
Wo oh - Wo oh  
Another bill  
A bit more stress  
Another day I try my best  
ANOTHER WASTED DAY GOES BY  
That's right  
The story of my life

And yet you wanna tell me that I'm better off than you  
But I'm still in this hell - just reaching for the sky  
Just like you I am doubtful every single day  
And right now I'm close to the edge and I will not fuckin' lie

[Chorus]

I will see another  
Another wasted day

[Chorus]

WASTED  
The story of my life
