David

The Radio Dept.

Asleep for twenty years with this feeling but I was on your side and he's spent some 20 years with this feeling of being lost inside he was lost inside of his mind just like I've been holding on for all our lives all our lives

Oh David won't you look into my

He Turned too many heads for one lifetime he never had to try and he stained too many beds for one lifetime but always asking why always asking why...why Just like I've been doing up until tonight Why Just like I've been doing David all my life all my life Oh David, won't you look into my

Oh David won't you look into my eyes Oh David won't you look into my eyes Oh David won't you look into my eyes
