

## Come On Up

The Rascals

Don't you hear the music, baby?  
It's only feel-good (baby)  
Let it get to you, baby  
Try and let go  
You don't have to worry about a thing  
Just come on up, come on up  
Just come on up, baby and have a good time  
Love to watch it happen, baby  
When I dance with you (baby)  
Love to see the music take you  
Right up to the mornin'  
You don't have to worry about a thing  
Come on up, just come on up  
Just come on up, baby and have a good time  
Come on now, give it a try!

Start it nice and easy, baby  
Take it real slow (baby)  
Just let it take you, baby  
Where you want to go (baby)  
Come on with me, baby  
Don't let me go alone (baby)  
Keep on pushin', baby  
Until we get home (baby)  
It's only feel-good  
It's only feel-good  
You know, I just can't stop  
I just can't stop (baby)
