

## Easy Rollin'

The Rascals

Easy rollin', ain't no need to hurry at all  
It's just a special mornin' when I wake yawnin'  
& sun is shinin'  
I feel like I've been dreamin' & freelance schemin'  
On colored rainbows  
Everything's fine as long as it's...

Easy rollin', I never seem to worry no more, oh no  
Don't have a care or worry, no need to hurry  
For relaxation  
Turnin' out all the hassles & buldin' castles  
For my vacation  
It's gonna be nice & I'm just keepin' it...

Easy rollin', no need to hurry at all  
Believe it, you don't have to worry  
Hmm hmm hmm mmm, hmm oh  
I'm livin' a dream a minute, deep down within it  
My life's a flower  
I think that I wouldn't change or rearrange  
A single hour  
Everything's fine now; it's got to be  
Easy rollin'  
Don't you worry at all, don't you worry no more  
Don't have to hurry home, keep it easy
