

# No Love To Give

The Rascals

It seems that I have lost something along the way  
But if I had to tell you I could not say  
I have seen so much and gone so far and yet I have not lived  
'Cause I've found no love to take and I have no love to give

I find myself ignoring things that are not there  
And things that are important, I don't really care  
I wish that I could find the reason why I live  
'Cause I've found no love to take and I have no love to give

I've been looking for so long for something that's not there  
But if I ever find it I hope that I'm aware  
I'm so tired of being alone

I guess that I'll remain in this shell of misery  
Until the time the reason for my being comes to me  
I know that I will exit from this state of mind I'm in  
'Cause there is no love to take and I have no love to give

For there is no love to take and I have no love to give
