

## Go All the Way

The Raspberries

I never knew how complete love could be  
Till she kissed me and said  
Baby, please, go all the way  
It feels so right  
Being with you here tonight  
Please, go all the way  
Just hold me close  
Don't ever let me go  
I couldn't say what I wanted to say  
Till she whispered, I love you  
So, please, go all the way  
It feels so right  
Being with you here tonight  
Please, go all the way  
Just hold me close  
Don't ever let me go  
[Instrumental Interlude]  
Before her love  
I was cruel and mean  
I had a hole in the place  
Where my heart should have been  
But now I've changed  
And it feels so strange  
I come alive when she does  
All those things to me  
And she says  
(Come on), come on  
(Come on)  
(Come on), come on  
(Come on)  
I need you (come on)  
I love you (come on)  
I need you (come on)  
(Come on)  
Please, go all the way  
It feels so right  
Being with you here tonight  
Please, go all the way  
Just hold me close  
Don't ever let me go, oh, no
