

Might as Well

The Raspberries

Might As Well

Raspberries

by Wally Bryson

Might as well give in, have to say it's true

Can't believe it's happened to me

But ooh, I'm glad it's you

I guess you were the one from the start

And try as I may, I can't say that we'll part

So I might as well, give in and say I love you

All the times before, all the love we'd make

I was so afraid of emotions, I could only take

You were there from the start

And try as I may, I can't say that we'll part

So I might as well, give in and say I love you

Ooh, ooh...

All of my other loves made me so sad

Don't want to find out that lovin' you,

Needin' you makes me feel bad

Might as well give in, have to say it's true

Can't believe it's happened to me

But ooh, I'm glad it's you

I guess you were the one from the start

And try as I may, I can't say that we'll part

So I might as well give in and say I love you

I love you, I love you
