

A Hell Below

The Raveonettes

When the lights go out and tears are falling
How do you feel by the end of the day
Did you hurt someone who always loved you again

Did you cross the line did you stray yeah you did
What if you fell to a hell below
Do you think of death the same way I always do

What if you fell
What if you fell
What if you fell to a hell below
Would it hurt the same way you hurt me

I don't feel like going to the movies tonight
Why don't we stroll to the cemetery
To remind you where you'll end up if you fuck around again

I don't ever wanna see you again
