A Hell Below

The Raveonettes

When the lights go out and tears are falling How do you feel by the end of the day Did you hurt someone who always loved you again

Did you cross the line did you stray yeah you did What if you fell to a hell below
Do you think of death the same way I always do

What if you fell What if you fell to a hell below Would it hurt the same way you hurt me

I don't feel like going to the movies tonight Why don't we stroll to the cemetery To remind you where you'll end up if you fuck around again

I don't ever wanna see you again
