

## Aly, Walk with Me

The Raveonettes

Aly, walk with me in the summer  
Aly, walk with me  
Aly, walk with me in Portland  
Aly, walk with me  
Aly, walks with me in my dreams  
So strange and true  
Can I walk with you in Portland  
Walk next to you

Aly, walk with me in New York City  
Aly, walk with me  
Aly, walk with me in the summer  
Aly, walk with me  
Aly, walk right out of my dreams  
Into my arms  
Aly, walk with me in the city  
Aly, walk with me

Aly, step right out of my head  
And kiss me goodnight  
Aly, walk with me in my dreams  
All through the night
