

Blitzed

The Raveonettes

I got a chain on my skinny wrist
Got a chain on my wrist
I'm tied down to an evil heart
Tied down, evil heart

A bitter pill but I crush it, yeah
Bitter pill, crush it, yeah
I snort it all and I feel ok
Snort it all, feel ok

I wonder how long will this wear on
How long will this wear on
I'd rather die than miss my fun
I'd rather die than miss my fun

The beauty of our love is dead
Beauty of love is dead
The lusty ones won't be tied down
The lusty ones, don't tie them down

Our love is being blitzed
Our love is being blitzed
Our love is being blitzed
Our love is being blitzed
Our love is being blitzed
Our love is being blitzed
Our love is being blitzed
Our love is being blitzed
