

# Curse the Night

The Raveonettes

Curse the night  
It's you and I in the end tonight  
Oh dear, oh dear  
Curse the night  
It's you and I in the end tonight  
Oh dear, oh dear

I think I lied, cause you only...  
I travelled all night just to be with you

Curse the night  
It's you and I in the end tonight  
Oh dear, oh dear  
Curse the night  
It's you and I in the end tonight  
Oh dear, oh dear

I cry back, I feel the streets say  
I'm holding on, someone else escaped

Curse the night  
It's you and I in the end tonight  
Oh dear, oh dear  
Curse the night  
It's you and I in the end tonight  
Oh dear, oh dear

I cry my day, I travel your sea  
I want you, you didn't want me  
Uh, uh, uh  
Uh, uh, uh  
Uh, uh, uh
